

ZAMBIAN WEIYE LIMITED INFRASTRUCTURE DEVELOPMENT DIRECTORATE

Tender Reference: TND-2026-002

- **Record Type:** Works Contract / Installation Tender
- **Project Scope:** Civil Works & Installation of 33KV Grid Transmission Powerline
- **Publishing Date:** January 2, 2026
- **Award Date:** January 15, 2026
- **Status:** Concluded & Awarded

Detailed Scope of Works: Provision of specialized electrical installation, line rigging, and civil construction labor forces to execute the physical setup of a **5.7km long 33KV Grid Transmission Line spanning from Sinakasikili to our central mine operations site.**

This contract strictly covers installation, civil works, and deployment execution using materials provided by the employer. The selected contractor's operational requirements included:

- Comprehensive path bush clearing and terrain safety preparation along the surveyed transmission corridor.
- Excavation, structural positioning, and pouring of high-strength concrete foundations for site distribution poles.
- Physical installation, rigging, structural anchoring, and tension tracking of overhead aluminum conductors.
- Mounting and secure installation of employer-supplied pole-top hardware, including cross-arms, polymer insulators, surge arrestors, and drop-out fuses.
- Implementation of mandatory localized safety grid protection elements, structural grounding loops, and community hazard warning signs.
