

ZAMBIAN WEIYE LIMITED ELECTRICAL ENGINEERING & INFRASTRUCTURE LOGISTICS

Tender Reference: TND-2026-004

- **Record Type:** Bulk Goods Procurement
- **Project Scope:** Supply of Low-Voltage and Medium-Voltage Copper Electrical Cables
- **Publishing Date:** January 13, 2026
- **Award Date:** January 14, 2026
- **Status:** Concluded & Awarded

Detailed Scope of Works: Direct procurement, loading, and secure transit supply of certified copper electrical cables to feed internal structural grids and substations. Requirements detailed inside the technical specification pack included:

- Medium-voltage, cross-linked polyethylene (XLPE) insulated, steel wire armored (SWA) copper power cables for underground and surface grid lines.
- Low-voltage PVC insulated armored control cables for automation signal tracking.
- High-purity bare stranded copper earth conductors for structural grounding safety loops.
- **Local Content Threshold:** Sourced preferentially from local Zambian wire and cable manufacturers to optimize citizen-ownership spending loops under national supply quotas.

▪ **SUBMISSION DIRECTIVE:** > To submit a bid application for active or upcoming procurement cycles, please utilize the digital submission portal directly on our official company website or securely email your complete technical proposal, financial bid, and formal company registration profile to **zambianweiyegmail.com**.
