

## ZAMBIAN WEIYE LIMITED REGULATORY COMPLIANCE & PROCUREMENT DIVISION

**Tender Reference:** TND-2026-009

- **Tender Title:** Supply of Utility-Scale Electrical Energy (Sinazongwe Site)
- **Publication Date:** June 1, 2026
- **Closing Date:** June 1, 2026
- **Award Date:** June 1, 2026

### Scope of Works

Due to the national utility infrastructure layout and regulatory framework governing electricity distribution in the Republic of Zambia, this contract has been allocated via direct sole-source procurement to ZESCO Limited. The allocated volume will support continuous large-scale operations and upcoming underground mining infrastructure at the Sinazongwe District coal mine site:

#### Total Allocated

Volume: Provision and delivery of 1,500,000 Units (kWh) of continuous, industrial-grade grid electrical power.

#### Coverage

Period: Full uninterrupted supply mapping across the entire 2026 operational year calendar.

**🚫 SUBMISSION DIRECTIVE:** > This tender has been officially evaluated and closed. The contract is fully AWARDED to ZESCO Limited. No further bids or corporate expressions of interest are being accepted for this reference cycle.
