

ZAMBIAN WEIYE LIMITED REGULATORY COMPLIANCE & PROCUREMENT DIVISION

Tender Reference: TND-2026-011

- **Tender Title:** Supply and Delivery of Commercial Explosives and Detonators (Underground Operations)
- **Publication Date:** June 10, 2026
- **Closing Date:** June 15, 2026
- **Award Date:** June 15, 2026

Scope of Works

Zambian Weiye Limited requires the specialized supply and secure logistics delivery of high-grade commercial blasting explosives and initiation devices to support upcoming underground trial mining phases at our Sinazongwe District site:

- **Underground Blasting Explosives:** Supply of 300 boxes of Super90 (32 x 270mm) emulsified explosives manufactured and rated specifically for underground application safety.
- **Initiation Systems (Detonators):** Supply of 5,000 components of 1.8-meter Initiation Devices / Detonators. Consignment must be packed cleanly into 5 commercial boxes containing exactly 1,000 units per box.
- **Compliance Framework:** Supplying entities must possess valid licensing from the Ministry of Mines and Minerals Development and local regulatory clearances regarding the transit, handling, and delivery of hazardous explosive materials.

🚫 **SUBMISSION DIRECTIVE:** > This procurement call has been officially closed and evaluated. The operational contract was fully AWARDED to Solar Explochem Zambia Limited on 15th June 2026. No further bidding materials or corporate credential portfolios are being accepted under this reference number.
